## HEADTEACHER'S NEWSLETTER

### Fantastic News

As I am sure you are all aware, we were recently part of a Tesco bid to receive money to support our purchase of scooter and cycle pods. Throughout January and February, it was clear that all parents and children were actively engaged in putting the blue tokens into the Ladbroke container and it was exciting to see our collection of tokens grow.

I am therefore delighted to announce that our project secured the most blue tokens and therefore we have been allocated the funding we need to purchase our pods.

Thank you to everyone who contributed but most importantly to Kelly Garnett who entered the bid with Tesco to get us started. The pods have now been ordered and we are hoping that they will arrive before the end of term!

Thank You

### ATTENDANCE DATA

Here are the % for attendance in April

Class	%	Class	%
F1	86.7%	Y3	95.2%
F2	97.3%	Y4	98.5%
Y1	98.8%	Y5	97.2%
Y2	96.5%	Y6	96.7%

Overall our attendance for April was  
**97.1%**

Well done to everyone for doing so well with their attendance. Lets keep it up for the rest of the Summer Term!

### Uniform Reminder

Children can now choose to wear the summer polo shirts or summer dresses. Please note, that polo shirts are expected to be worn tucked in during school time. If your child does not want to wear the polo shirt or summer dress they must wear a shirt and tie. Blouses are not part of our uniform. Shoes can be either white or black but must not be open toed. Socks should also be worn with all shoes.

Please can I also ask that all jumpers/cardigans are named clearly (please do not just use initials!). Children have a fabulous habit of taking off jumpers, leaving them where they fall and then forgetting they ever had a jumper in the first place! If they are named, then it makes it a lot easier for us to reunite them with their owner.

Thank You.

## GDPR

### General Data Protection Regulations

#### GDPR

## GDPR

On the 25th May 2018, the General Data Protection Regulations (GDPR) come into force in the UK. These are new data protection regulations build upon the Data Protection Act of 1998.

The GDPR require public authorities and businesses to identify the lawful basis for storing personal data, audit information we already hold and take a 'data protection by design and default' approach to personal data.

We take data protection very seriously at Ladbroke JMI School. In line with GDPR requirements, we have already appointed a Data Protection Officer, Mr Mark Turner, to oversee our approach to data management and protection.

In order to ensure that we comply with the new regulations, we are reviewing our current policies and practices. We will be updating our privacy notices in line with the new requirements. These will be sent out to you as soon as they are finalised and will be available on the school website.

As part of this compliance process, we are also seeking to update the consent forms/home school agreements we use for parents and pupils. The new regulations are clear that consent must be up-to-date and clearly recorded. From now on, lack of response cannot be interpreted as implied consent. We therefore ask that you return these to us promptly when they are sent out to avoid us having to chase you.

We will be adding a section to our website to explain all about GDPR and the collection of data. I will alert you all when it is available to access.

To learn more about the General Data Protection Regulation, please visit the Information Commissioner's Office website on <http://ico.org.uk>

### Fund Raising Success!

Thank you to all family and friends who supported our fund raising events last term. Thank you also to the FOLS team for running them so successfully.

#### BINGO NIGHT

£722 Raised

#### QUIZ NIGHT

£561 Raised

#### EASTER EGG HUNT

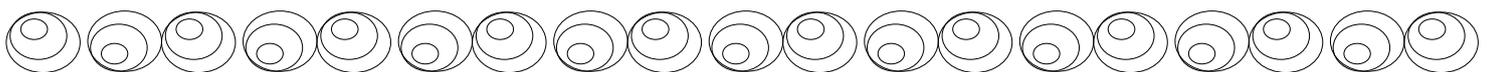

£426 Raised

Money raised from these events helps reduce the cost of the trips that your children go on each year. Without this money, we would either have to increase costs for each trip or reduce the number of trips and activities we make available to the children.

The money also goes towards big projects like the owl house and our current project which is a new building for after school club so this facility can be expanded.

Thank you for your support.

SAY CHEESE!

### Whole School Photograph

SAY CHEESE!

Every 7 years, we take a whole school photograph so that each child will be in at least one whole school photograph during their time at Ladbrooke.

The next whole school photograph will take place on **Thursday 7th June**

The photograph will be taken in the morning and we would appreciate all children coming into school on this day in a shirt and tie. They can bring their summer uniforms to change into afterwards, but for the photo we would like the children in the full main uniform. Thank you for your support.

### Carnival Time

The school have entered a walking float into the Potters Bar carnival parade again this year. The organisers of the carnival have set the theme of "WW1 centenary celebrations". The Carnival will be held on Sunday 10<sup>th</sup> June 2018. We will meet inside Mount Grace School playing field - Mount Grace Road entrance at 12.30pm.

This year we have decided on the following theme:  
**CELEBRATION OF THE END OF THE WAR**  
Children and parents should dress in red, white and blue.

Flags (can either be made or purchased) and balloons are to be held by all. The FOLS team have purchased white heart shaped balloons and sticks. We are going to have inspirational messages such as "The War is Over", "HOPE", "LOVE", "PEACE" "HARMONY" "UNITY"

Everybody (children and parents) are to get creative (the judges love to see homemade items) and make (and of course wear) a poppy themed hat.

A letter has already been sent out with examples of poppy hats for parents/children to make. The children will also be singing a song and the words to this are also on the letter.

If you require a copy of this letter, please come to the office

### GOOD LUCK!

Good luck to all year six pupils who will be sitting their final key stage tests in the next couple of weeks. They have all worked incredibly hard and we are confident that they will all do really well. Just relax and do your best, that's all we ask!

### Talent Show

Yet again we will be holding our Ladbrooke's Got Talent competition.

Each class will be holding a competition to find their best three acts to compete in the semi finals on Thursday 14th June  
The best act from each class will then go through to the final at the Summer Fair on Saturday 16th June  
We are all looking forward to finding all that hidden talent that exists at Ladbrooke School.

### Reminder—Y4 Moat Mount

Payments for Moat Mount should now all be completed. Please contact the office if you still have payments to make  
Many Thanks

### Reminder Y6 Knapp House

All payments for Knapp House should be completed by 21st May.  
Many Thanks
