HEADTEACHER'S NEWSLETTER

October Already

It has been a lovely first month back in school and the children have settled back in to the school routine brilliantly.

On Friday, we were treated to the first class assembly and year four really showed the immense amount of work they have already covered. Particularly impressive was the quality of the writing which they shared. As a main school priority this year, it was fabulous to see the impact already. I am very excited to see what else is achieved this year.

As some of you know, every year, the year six pupils participate in an arts project to leave something behind in the school. Earlier projects have involved the mosaic outside the main office, our school song and the video on our school website.

Last year our year six pupils created mosaic tiles to represent the school. These tiles have now been used to form two sections of the pathway through the Friendship Field and around the Owl House. We were very lucky to have two of our parents, Mr Harryman and Mr MacCormack take the time to ensure they were laid beautifully and we are very pleased with the results. Take a look at the photos below to see the end result or even better, take a walk to the Owl House to see the fantastic pathway. Our leavers 2018 will not be forgotten!

School Uniform

The children are all looking very smart. Thank you for ensuring that they are in the correct uniform.

PLEASE WOULD YOU ENSURE THAT YOUR CHILD'S NAME IS IN EACH ITEM OF CLOTHING.

Whilst the weather is still nice, summer uniform can still be worn. Please note that only Ladbroke polo shirts should be worn, plain white polo shirts are not school uniform. If your child is wearing a shirt, then they should also be wearing a tie.

Trainers are not allowed as school shoes.
Thank you for your support in this matter.

After School Club

We are delighted that our after school club is so popular. This is due to the hard work and time taken by our after school team, Mrs Wilkinson and Mrs Walton, to ensure that the children enjoy going and the admin team, Mrs MacCormack and Mrs Gaffney; ensuring that the booking system is easy to use and they are on the end of the phone to deal with any enquiries. Unfortunately, a product of the success has meant that on many days the club is full and I know that some of you have been disappointed when you have not been able to book onto the club at short notice and in some cases even when booking in advance.

PLEASE BOOK EARLY TO AVOID DISAPPOINTMENT

We are trying really hard behind the scene to raise money for a new separate after school club building. We have raised a significant amount of money through the school budget and wonderful fundraising by FOLS but we are still a little way from the target needed and as you are all aware school budgets are getting tighter and tighter. Before the summer I put in a bid to raise extra funds but unfortunately we have just heard we were not successful. I have therefore been looking for other avenues and I have recently submitted two bids to try and raise more funds. One is to the Aviva Community Fund. If successful, the success of the bid will be down to voting and I know that the whole community will get behind our bid and hopefully bring us some necessary funds. The other bid is to the Lottery Fund. I will write again when I have more news of these bids.

Above are some pictures of the sort of building we are looking to purchase. The building will be used to house our after school club but will also be used to offer a space for parent workshops and for members of the community to hire out in the evening, weekends and during the holidays. If anyone has any brilliant fundraising ideas or know of any companies that provide sponsorship for such projects, I would be delighted to hear more.

In the meantime, please remember that if you rely on after school club care, you need to book early. We will try to help where possible, but we are bound by the space and ratios of adults to staff.

Thank you for your support
