HEADTEACHER'S NEWSLETTER

Happy New Year

Welcome back and Happy New Year to you all. I hope you all had a lovely Christmas and enjoyed spending precious time with your families.

By the end of next week, you should have received your Spring term leaflet letting you know what your child will be learning this term. If you have not, please either pop into the main reception area, where there should be a copy in the leaflet holder or speak to your child's class teacher.

I am looking forward to seeing all the fantastic work the children will produce over the term, especially the challenge homework which has surpassed all my expectations and continues to amaze me.

Thanks you.

Can You Help?

Foundation Stage 2 would like to create an igloo in their outdoor area. To do this they need 4 pint milk bottles. If you have any of these at home, please would you wash them out and bring them into the school.
Thank You

MORNING REGISTRATION

The children can be dropped off on the infant playground from 8.30am where a member of staff will be on duty. At 8.45am the bell will ring and the children line up to be taken into school. If you are running late but it is before 9am, your child should enter school via the infant playground, in the usual manner. Only **after 9am** should children be brought into school via the main office. The children will be expected to take themselves into class from the office.

On wet mornings, the school is open from 8.30am and the children can come straight in. Whether it is wet or dry, please could parents send their children in by themselves. There are teachers and teaching assistants available to help the children if necessary. We just do not have the room to accommodate all parents as well and once one parent is inside others will follow!!!

If you need to speak to a member of staff, after school is a better time alternatively if it is important, please come in earlier to see if your child's teacher is available.

Thank you for your support in this matter

Uniform Plea

As the weather begins to get colder, I am sure that we will see an increase in scarves, hats and gloves coming into school. Please would you take the time to name all items of clothing so we can return lost items quickly and save having them lying around the school.

Can I also ask that all children ensure they are in correct uniform every day. This includes wearing a tie. All hair accessories should be either white, black or blue. There have been some very brightly coloured items being worn which are not part of school uniform. Children should also not be wearing nail varnish and this will be removed if seen in school.

Thank you for your cooperation.
