HEADTEACHER'S NEWSLETTER

What a Week!

We have only been back for one week but what a busy week it has been. You will all have heard that we had an impromptu fire drill on Wednesday. This occurred because one of the call points was accidentally knocked. I just want to say how brilliantly all the children coped with the fact that it happened in the middle of the lunch break. The whole school was evacuated in under 2 minutes and they were calm and sensible while the fire brigade checked that the school was safe.

I was a very proud (if not a little flustered) Headteacher!

On Thursday we then had our whole school photograph. These only happen every 6 years, to ensure that every child will be in at least one photograph. Thank you for sending in your child in winter uniform, they all looked so smart.

In other news, it has been confirmed that our new scooter pods will be installed on June 21st.

So exciting!

We are edging even closer to 98% - let's work really hard to try and achieve this in June!

Uniform Reminder

Please can I give a gentle reminder about school uniform and especially school shoes. A number of children are wearing trainers in school, please would you ensure that school shoes are worn at all times and if there is a reason why your child is not wearing shoes that you inform the school/class teacher.

Also, with regards to shoes, even when it is a non uniform day, please can all children wear closed toed shoes. This is for their own safety.

Many thanks

Sports Day Arrangements

We are hoping for a lovely warm (but not too hot) day for our sports day on

Friday 13th July

The day will run as follows
 9.30 - 10.30 F2, Y2, Y4, Y6 Activity Circus
 11.00 - 12.00 Y1, Y3, Y5 Activity Circus
 12.00 - 12.45 Picnic on the field
 1.00 - 3.00 Sprint Races (optional) & House relays

Parents are welcome to come to any part of the day. We hope that as many parents as possible will be able to join us for the picnic on the field. If your child usually has a school dinner, the school kitchen will arrange for a red and a green packed lunch to be available on this day.

The activity circus is a series of activities that the children will take part in to earn points for their house team. They will be placed in house teams with children from the other year groups and spend 3 minutes at each activity trying to score points for their team. Where possible, siblings will be placed in the same team so parents can follow children round at the same time. At the end of both activity circuses, the points will be added and the house with the highest score will be awarded the cup.

Children from each class can choose to compete in the sprint races. There will be a race for girls and a race for boys. If too many children want to take part in each class, there will be a heat followed by a final.

The house relay will involve all the children. There will be a team from each house in each year group. They will earn points for their house based on their position and the relay cup will be presented to the highest scoring team.

WE NEED YOUR HELP!

Summer Fayre

This year, the Summer Fayre will be held on
Saturday 16th June
 from
 12 - 3pm.

To make it successful we do need the help and support of all parents.

This support could be on the day or in providing items for stalls prior to the event.

Every little bit of support helps us to raise money for the school and in turn helps us to improve learning opportunities for your child.

If there are any volunteers who could come in at around 9am to help put up gazebos and help move tables onto the playground, please let the office know and we will pass this information onto Michelle Smith. Even if you can just spare half an hour, it will help.

Volunteers to run stalls are always needed. We have a very small team of dedicated FOLS members but they cannot run everything on the day. If you can help on a stall for just half an hour, please let the office or a member of the FOLS team know
