HEADTEACHER'S NEWSLETTER

October Already!

It has been a busy, but lovely, start to the new school year. All the children appear to have settled into their new classes and learning is happening everywhere I look. The displays are beginning to build around the school and the work in the books is already beginning to show progress. Keep up the good work

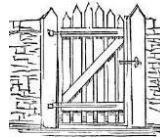

REMINDERS

The whole of the Ladbroke site is non smoking. This includes e-cigarettes
Dogs are also not permitted on the school grounds at any time.

REMINDERS

If you are using the back gate into school, please would you make sure it is closed at all times. Recently we have had dogs entering our grounds through the gate when it has been left open

REMINDERS

The apparatus in school is out of bounds before and after school. Please would all parents ensure their children are adhering to this rule

REMINDERS

All children should be reading regularly and ideally every day. Please would all parents ensure they are recording their child's reading in their planner so the teachers can monitor what they are doing. The more your child reads the more progress they will make.

THANK YOU

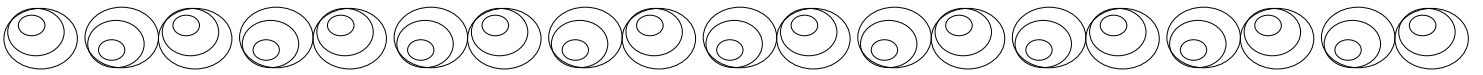

At the end of last term we held a fund raising event to raise money for an ex-pupil who was trying to raise money for a new football wheelchair. I am delighted to say that with the help of us and money from other people, Kai now has placed an order for his chair and is eagerly awaiting its delivery. He sent us this message

'Thank you Ladbroke School for organising a non school uniform day to help me raise £350 to go towards my new football wheelchair. Your kind and generous donations have helped me buy my chair. I am so grateful to everyone who supported me. I can't wait till it arrives.'
