My School Your School

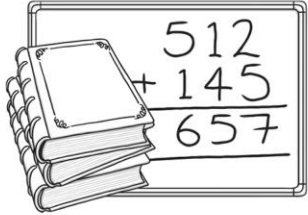

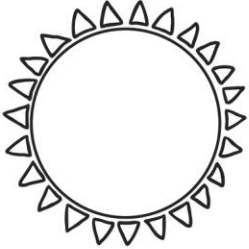

L.O: To compare school life in China (Beijing) and Ladbrooke School in the U.K.

When you have watched the video use what you have seen and the timetable sheet to help you with this

Complete the table to show the comparisons between a school in Beijing and your own school.

| Beijing (China) | My School |
|--|--|
| <p>Children go to school for 5 ½ days a week.</p>  | <p>At Ladbrooke we usually go to school for</p> |
| <p>Children start school when they are 3 ½ years old.</p>  | <p>At Ladbrooke we start in the Nursery at age or in reception at age</p> |
| <p>Lessons in school last 45 minutes.</p>  | |
| <p>Children all learn Chinese, maths, PE, music, drawing, nature, history and geography.</p>  | |
| <p>Children have an exercise lesson at break time.</p>  | |

| Beijing (China) | My School |
|--|-----------|
| <p>Most lesson time is spent on Chinese and Maths.</p>  | |
| <p>English is taught as a foreign language in schools.</p>  | |
| <p>Summer holidays are between July and August.</p>  | |

Try and think of your own comparisons below!

You could think about the clothes worn to school, what happens when you first arrive in the morning, what happens after lunch...or anything else you noticed.
