

Can you learn a new skill?

| | |
|---|--|
| How to write an email safely | How to plan a healthy meal |
| How to make a phone call | How to care for a pet |
| How to sew with a running stitch | How to set the dinner table |
| How to slice fruit or vegetables safely | How to tie a shoelace |
| How to introduce yourself | How to use a potato peeler |
| How to write a thank you note | How to ask questions to get to know someone better |
| How to knit or crochet | How to read a map |
| How to grow cress or mustard seeds | How to have good table manners |
| | |
| | |

Simple STEM Activities For Families

| | |
|--|---|
| Take a walk in the garden and draw | Make a bridge and test to see how much |
| Take a virtual tour of a museum | Use a magnifying glass to search around a tree for bugs |
| Fix a broken toy | Make a list of famous scientists and engineers |
| Use a big cardboard box to make a | Investigate how many times you can fold |
| Play a game that involves Numbers | Learn to use a compass |
| Play connect 4 | Make art using leaves |
| Make a picture with moving parts | Search Youtube for 'King of Random' and |
| Plant some seeds and record their growth | Weed a garden and identify the weeds |
| Investigate wheels and axles | Go rock hunting |

YEAR TWO
HOME LEARNING BOOKLET

Your child will have come home with an exercise book and this booklet to support them with home learning while the school is closed. They will also have some work printed for them but the majority of work will be set daily on the class page of the website. If you have any questions please contact me on j.wyatt@ladbrooke.herts.sch.uk

I will try and get back to you as soon as possible but please bear in mind, the internet may go down and this will affect the speed of response. If for any reason I am unable to respond, you will receive a message from the school explaining why.

SUGGESTED DAILY TIMETABLE

| | <u>Year 2</u> |
|-------|--|
| 9.00 | Fitter Future 2 minutes Skip Mile walk or run |
| 9.15 | Reading |
| 9.30 | Daily English Task Set on Website + Practise Spelling Website Activities (see Pg 3 of booklet) |
| 10.30 | |
| 11.00 | Daily Maths Task Set on Website + Numbots or TT Rockstars |
| 12.00 | |
| 1.00 | Fitter Future 2 minutes Skip Mile walk or run |
| 1.15 | Challenge Homework Sheet Cross Curricular Work |

Cross Curricular Challenge Sheet

Below are some challenges to have a go at. In each box there is a number to show how many points you get for completing each challenge. If you complete each challenge once you can repeat the challenges you enjoyed the most. Keep a tally of your points score. Who will come back to school with the most points scored?

| | | | |
|--|--|--|---|
| <p align="center"><u>COOKING</u> Bake some biscuits/cakes (with support) weigh out the ingredients and take pictures of the outcome.</p> <p align="center">5 POINTS</p> | <p align="center"><u>PHOTOGRAPHY</u> Take some close up pictures of things around the house. See if family members can guess what they are.</p> <p align="center">2 POINTS</p> | <p align="center"><u>COMPUTING/WRITING</u> Create a PowerPoint presentation or a book of something that you are interested in.</p> <p align="center">5 POINTS</p> | <p align="center"><u>LANGUAGE</u> How many different words can you find that mean the same as (or similar to) nice?</p> <p align="center">3 POINTS</p> |
| <p align="center"><u>CONSTRUCTION</u> Get Building You could build a Lego model or a tower of playing cards – let your imagination go wild!</p> <p align="center">1 POINTS</p> | <p align="center"><u>CODE CRAKING</u> Be like Samuel Pepys. Create a code (e.g replace letters with numbers) and write a sentence about your day. Can your family crack your code?</p> <p align="center">3 POINTS</p> | <p align="center"><u>Nature Diary</u> Look out of your window each day and make a note of what you can see. Can you learn the names of trees and flowers that you don't already know?</p> <p align="center">2 POINTS</p> | <p align="center"><u>CREATIVE</u> Use an old sock to create a puppet. Write some instructions to show how you made it</p> <p align="center">3 POINTS</p> |
| <p align="center"><u>ELECTRICITY</u> Make a list of all the items in each room that use electricity. Can you come up with some ideas of how to reduce your use of electricity?</p> <p align="center">3 POINTS</p> | <p align="center"><u>BOARD GAMES</u> Design and Make a homemade board game or card game.</p> <p align="center">5 POINTS</p> | <p align="center"><u>Coding</u> Go on scratch and search for some of the mgberry games we have used at school. Go inside and make some changes to make them easier or more challenging.</p> <p align="center">1 POINTS</p> | <p align="center"><u>INVENTIONS</u> Can you invent something new? Well Being Challenge Sheet

Below are some challenges to have a go at. In each box there is a number to show how many points you get for completing each challenge. If you complete each challenge once you can repeat the challenges you enjoyed the most. Keep a tally of your points score. Who will come back to school with the most points scored.

| | | | |
|---|---|---|---|
| <p align="center"><u>PUZZLING</u> Choose a puzzle and see how long it takes you to complete it</p> <p align="center">5 POINTS</p> | <p align="center"><u>BOARD GAME</u> Play a board game with your family</p> <p align="center">5 POINTS</p> | <p align="center"><u>GOOD THINGS</u> Make a list of things that make you happy, things you are grateful for and things you are good at.</p> <p align="center">5 POINTS</p> | <p align="center"><u>FAMILY MATTERS</u> Create a family coat of arms that shows what your family is all about</p> <p align="center">5 POINTS</p> |
| <p align="center"><u>COLOURING</u> Download a colouring sheet and colour the picture in carefully</p> <p align="center">5 POINTS</p> | <p align="center"><u>MUSIC AND ART</u> Listen to a piece of music and paint/draw a picture to go with how the music makes you feel.</p> <p align="center">5 POINTS</p> | <p align="center"><u>DANCE FOR FUN</u> Play some music and dance in your room.</p> <p align="center">5 POINTS</p> | <p align="center"><u>BEING HELPFUL</u> Tidy up your bedroom.</p> <p align="center">5 POINTS</p> |
| | <p align="center"><u>DEN BUILDING</u> Make a den and spend time reading in it.</p> <p align="center">5 POINTS</p> | <p align="center"><u>LEARN SOMETHING NEW</u> Learn a new skill that you haven't been able to do YET.</p> <p align="center">5 POINTS</p> | |

Other Websites to Use

www.twinkl.co.uk

On here you can find all the SATS revision booklets I sent you after parents' evening

These would be particularly useful to work through as we have already covered most of the areas so it makes for good revision and filling in gaps in the children's understanding. They are providing a free login for parents during this period of closure

kids.classroomsecrets.co.uk

www.snappymaths.com

(particularly useful for addition and subtraction practise games and worksheets.)

<https://scratch.mit.edu/> (children's coding website)

- look at the games by mgberry....play and adapt them like we do at school (I don't think this works on ios but you can try)

teachhandwriting.co.uk (especially practise letters you aren't good at and joins.)

<https://app.fitterfuture.com/student/auth>

Username: ladbrookeks1 Password: ladbrookeks1

Don't forget numbots and TT rockstars
