

Good Morning Year 1!

Wednesday 6th May 2020

### **Phonics:**

Your phonic task today is:

1. Review your phonic sounds by playing a game or watching the speed sounds link <https://www.youtube.com/watch?v=qlU3Dg8upXM>
2. Choose a sound you would like to focus on today
3. Write 6 words that have that sounds
4. Write 6 sentences with the words you have chosen

The main aim for today's lesson is to focus on your handwriting. Make sure your words are on the line, have finger spaces and you are forming your letters correctly. Handwriting will be very important in year 2 therefore it is important to take the time and keep your sentences short but make sure your handwriting is neat and your letters are the same size (making sure your capital letters are obvious).

### **Maths (Division):**

Today you are going to look at division sums. The work provided has many different division sums the children can complete. It might be worth cutting the cards out so that your child can look at one problem at a time as it might be a bit overwhelming looking at 4 problems in one page.

Complete as many as you like you do not have to complete all of them. You might decide to use objects to help complete the problem.

### **Topic (Our Wonderful World)**

Music: Your task today is to learn and sing the song 'What a wonderful world' Teach your child the lyrics which are provided slowly by getting them to repeat each sentence. It may take a few attempts to learn the song.

If you wanted to make this more fun you could use musical instruments while singing the song. Pots and pans would work as well if you do not have any instruments.

Hope you have a good day! 😊
