

On the first day we arrived at the famous Elstree film studios, that I have heard so much about. I was so excited to see what was in store for us.

After I had found Ansh and Panos we went in and sat in a cinema room. Then we waited for everyone to arrive (it took ages). Finally, when everyone was there we watched some of the films that had been made previously, (we saw a few ex Ladbroke students). After that Kai (a man who worked there) showed us the bases of writing a story. Then we got in our groups and wrote our scripts. There were five of us in our group Me, Ansh, Panos, Niti and Isobel.

The next day we arrived excited as ever ready to film. Again we were met by Grace, she took our temperatures and we went through to the main 'hall'. There we met our director (Adam) and we

planned what to do. We started filming with the breakfast scene and made our way from there. It was soooooooooo fun! At the end of the day we all didn't want to go home but we found out that there was a summer camp. We loved our day so much that we will probably meet again there.

THANK YOU!!!!!!!!!!!!
