L.O: To write a recount based on our trip to the British museum.

British Museum

On Thursday 2nd November, Year 5 and Year 6 visited the British museum in London. This trip was part of our topic on the ancient Egyptians. We were 30 minutes late because of traffic.

I was in Mrs Seaton's group. We looked at the Rosetta stone first. It was really annoying because it was busy and I couldn't really see it. However it looked really nice and it had hieroglyphics on, of all different languages. I was shocked because it was really big.

After that, we looked at all different mummies and they looked really old. They were about 1000 years old. They were mummified and then put into a tomb. They were mummified so they could go in the afterlife. The mummies looked really cool.

The workshop was ok but I was next to another school and they kept talking. I learned a lot about Nebamun, for example: the picture on the tomb and about daily life in ancient Egypt. Then we learned about ancient Egypt toys, the kids used to play with wooden ones. We learned about animals as well.

I had a good day, but there were lodes of tourists and traffic. The museum was really busy so it was hard to see.
