

Ladbroke Primary School

Thursday 2nd April

HEADTEACHER'S NEWSLETTER

Almost Summer

British Summer Time is officially here and lets hope that is a sign for the sun to shine and the weather to get warmer.

When the children return in April, summer uniform can be worn. Please remember that it is only the Ladbroke polo shirts that can be worn, not plain white polo shirts. In addition to this, please would you ensure all jumpers are labelled clearly with your child's name. Initials are not very helpful with out a class as well.

May I take this opportunity to wish you all a very relaxing Easter break and I look forward to seeing you all again in the Summer Term.

Staffing News

I am delighted to announce that both Mrs Friend and Mrs Romain are expecting their second child. Mrs Romain will be going on maternity leave in July and Mrs Friend will be going on maternity leave in September. We would like to pass on our congratulations to them and their families.

We are now in the process of ensuring we have the best possible cover in their absence and as soon as this has been organised, we will inform parents.

In addition to this, Mrs Daly has made the difficult decision to retire at the end of the year. Mrs Daly has been at the school since January 2002 and has been responsible for ensuring so many children have had the best possible start to their school years. She will be a huge loss to the school but she thoroughly deserves a relaxed and fun filled retirement. Again we will be looking at appointing a suitable appointment to take on the nursery.

SCHOOL COMMS

You can now make online payments to school via credit or debit card

We have recently introduced a new service - 'School Gateway'. This means that you will now be able to make online payments via the School Gateway smartphone app or website for dinner money. You are also able to view school meal balances and top them up at any time. In the future we will be introducing the payment of school trips via the School Gateway and we will advise you of this at a later date.

What you need to do now

Activate your School Gateway account. It's quick and easy to do. All you need are your email address and mobile number that school holds on record for you.

Download the app: If you have a smartphone, please download School Gateway from your app store (Android and iPhone). The app shows the same information as the website PLUS it saves the school money when we send you a text message.

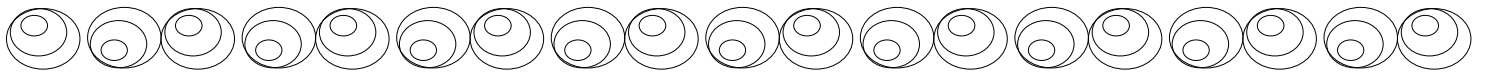

OR

Visit the website: www.schoolgateway.com and click on 'New User'. You'll receive a text message with a PIN number. Use this PIN to log into School Gateway. You can also find the School Gateway button on the School website.

If you're having trouble logging in, it may be because the school doesn't have your current email and mobile phone number on record. Please call the school and we'll update the details on our system.

We hope that you will find School Gateway to be a fast and easy way to pay for school items.
