Friday 1st July

## HEADTEACHER'S NEWSLETTER

### The final few weeks!

I cannot believe how quickly this year has flown by and we are now in the final month of the school year. There may be only a few days left but we certainly have a lot of things to pack into those days.

We will be welcoming back Mrs Romain and Mrs Friend from their maternity leave before the end of term but sadly we will be saying goodbye to Ms Shelborne and Mrs McCarthy at the end of term. They have both been such fabulous additions to our team and have really put their heart and soul into the children's wellbeing and education. For this, we cannot thank them enough. Their new schools are very lucky to have them and they are welcome back at any time.

To everyone who is part of the Ladbroke community, thank you for another fantastic year. Your support as always has been really appreciated.

### Calling Y2 Parents!

If you have children moving into your school from Year 2 in to Year 3 that are entitled to a free school meal, parents/carers will need to reapply as they are not automatically renewed. Once an application has been made there will be no need to reapply as this will be done automatically following our renewals process (if they are still showing as eligible). Please ask parents/carers to log on to [www.hertfordshire.gov.uk](http://www.hertfordshire.gov.uk) to apply.

### Advanced Warning

The cost of a school dinner will be increasing to £2.25 a day from September. This will mean the weekly total will be £11.25.

## Sports Day Arrangements

We are hoping for a lovely warm (but not too hot) day for our sports day on

# Tuesday 12th July

The day will run as follows

9.30 - 10.30	F2, Y2, Y4, Y6 Activity Circus	Y1, Y3 and Y5 Sprint Heats
11.00 - 12.00	Y1, Y3, Y5 Activity Circus	FS2 Y2, Y4, Y6 Sprint Heats
12.00 - 12.45	Picnic on the field	
1.00 - 3.00	Sprint Finals & House Relays	

Parents are welcome to come to any part of the day. We hope that as many parents as possible will be able to join us for the picnic on the field. If your child usually has a school dinner, Mrs Daley, our school cook will arrange for a ham sandwich packed lunch (red) or a cheese sandwich packed lunch (green) to be available on this day.

The activity circus is a series of activities that the children will take part in to earn points for their house team. They will be placed in house teams with children from the other year groups and spend 3 minutes at each activity trying to score points for their team. Where possible, siblings will be placed in the same team so parents can follow children round at the same time. At the end of both activity circuses, the points will be added and the house with the highest score will be awarded the cup.

Children from each class can choose to compete in the sprint races. In the morning they will compete in the heats and then the final sprint races will be held in the afternoon. There will be a race for girls and a race for boys.

The house relay will involve all the children. There will be a team from each house in each year group. They will earn points for their house based on their position and the relay cup will be presented to the highest scoring cup.

At the end of the day, the children will return to their classes and will be dismissed as usual. Unfortunately if the weather means the event is cancelled, we do not have a reserve date this year.

### Autumn Term Parent Information Meetings

I hope to see you there. If you cannot make it, do not worry, your child will bring home an information leaflet.

Foundation 1 and 2 will hold a meeting when the children have settled in.
