HEADTEACHER'S NEWSLETTER

Next Year

It is almost the end of a very busy but successful school year. Thank you to you all for being part of it.

As we contemplate the next few weeks, we are saying a temporary goodbye to Mrs Romain and Mrs Friend as they start their maternity leave. We wish them both well and look forward to meeting their new additions soon.

The end of the year also brings the end of an era with Mrs Daly's retirement. Her commitment and dedication to the children of Ladbroke shines through in each and every child who has passed through her nursery. We all want to thank her for being such an important part of Ladbroke and wish her a happy and healthy retirement, full of adventures.

The new school year will bring some new faces into our school. We are looking forward to welcoming Ms Fisher, Ms Shelbourn, Mrs Sultana and Mrs McCarthy into our community. I know they are going to love working at Ladbroke as much as we all do.

This will mean the weekly total will be £11.00.

Sports Day Arrangements

We are hoping for a lovely warm (but not too hot) day for our sports day on

Thursday 16th July

The day will run as follows

9.30 - 10.30 F2, Y2, Y4, Y6 Activity Circus

11.00 - 12.00 Y1, Y3, Y5 Activity Circus

12.00 - 12.45 Picnic on the field

1.00 - 3.00 Sprint Races (optional) & House relays

Parents are welcome to come to any part of the day. We hope that as many parents as possible will be able to join us for the picnic on the field. If your child usually has a school dinner, Mrs Moore, our school cook will arrange for a red and a green packed lunch to be available on this day.

The activity circus is a series of activities that the children will take part in to earn points for their house team. They will be placed in house teams with children from the other year groups and spend 3 minutes at each activity trying to score points for their team. Where possible, siblings will be placed in the same team so parents can follow children round at the same time. At the end of both activity circuses, the points will be added and the house with the highest score will be awarded the cup.

Children from each class can choose to compete in the sprint races. There will be a race for girls and a race for boys. If too many children want to take part in each class, there will be a heat followed by a final.

The house relay will involve all the children. There will be a team from each house in each year group. They will earn points for their house based on their position and the relay cup will be presented to the highest scoring cup.
