HEADTEACHER'S NEWSLETTER

Thank You!

Thank you to those families who have bought books from our wish lists for the school. One family, whose youngest child left in July donated 24 books to the school which was a lovely surprise. Each and every donation has been really appreciated though. If you would still like to donate a book, I have left the wish list page at the end of this newsletter

On a completely different matter, I have spoken to a few parents over the past month who have complained about parents double parking in the car park and more worryingly concerns about how parents are speaking to each other in front of the children when poor parking or blocking in occurs. Please remember we all need to be role models for our children. Although I understand that it is frustrating to be blocked in, shouting and using derogatory language is unacceptable around the school.

Thank you for your consideration

Reading Areas

We have recently been developing reading areas in our classrooms. We have had to be quiet creative due to the small space we have but we are delighted with the end results. We have the noticed the children engaging with the books in a more positive way which is brilliant.

If you would like to support us with the development of our book areas, each class teacher has set up a wish list of books that they would like to add to our library.

If any family feels they are in a position to purchase a book for our libraries, we would be more than grateful.

Below are the links to the Amazon wish lists for each class.
