

doodlelearning

What do the children at Ladbrooke think about Doodlelearning?

It gives you time to work out the answers. It has really helped with my take aways.

Beth Year 3

I really enjoy Doodle because I learn new stuff everyday

Leonardo Year 4

It is really good for people who struggle with maths because there isn't a timer, you can take your time and you can add tricky questions to the tricky questions box.

Grace Year 4

It helps me in class with my maths

Katie Year 5

It's good, I do it at home every night

Leo Year 3

Doodle has really helped with my maths. I understand more in class. I use it everyday.

Roni Year 6

I feel much smarter in maths now to when I first started in year 6 and I think Doodle has helped with that.

Leo Year 6

Our teacher sets assignments on the stuff that we're learning in class
