## HEADTEACHER'S NEWSLETTER

### The Final Countdown

The final half term has started and finally we have some lovely weather to enjoy. I hope that this continues so we can enjoy the end of term and begin to get things back to a new normal. With this in mind please can I remind parents that when the weather is sunny you need to apply an all day sun cream before your child comes into school. We are unable to apply sun cream to the children and they should not be bringing it into school. Thank you for your cooperation with this matter.

We had been hoping to begin to bring the school routines and procedures back to a new normal when restrictions are lifted. It appears though that this is looking like it will be delayed and we will be staying in our bubbles until the end of the school year. Although this is unfortunate, our priority is to ensure we prevent bubbles from bursting, we keep all our children in school and that the Y6 children have the end of term they deserve. This means difficult decisions have had to be made. One of these decisions is to hold our sports day this year without parents on site. I know some parents will be disappointed with this decision but it is made with the best intentions of all the children, staff and community.

Thank you for your support in this matter.

### Looking forward to September

We have been pleased at how it has worked with children coming into school in their PE kits on days they have PE. It has meant that children are spending more time in active PE rather than having to take time to change at the start and end of the lesson and we have less lost property around. For this reason, we have decided to continue with this in September when we hope schools will be operating without any restrictions. It is important however that children wear the correct PE kits.

All children should wear a light blue polo shirt (with or without the Ladbroke logo), plain blue shorts or plain blue tracksuit bottoms and black trainers.

School sweatshirts should be worn.

Trainers should be plain black. If your child cannot do their own laces, please choose trainers with velcro until they have learnt how to do this.

Please remember we do have a second hand uniform shop which parents can purchase items from (see below)

### Picking Up At the End of the Day

If another adult is going to be collecting your child at the end of the day, please would you inform the school via the Gateway so teachers are aware. Can I also ask that children are collected on time from after school clubs.

The after school club sessions finish at 4.30pm or 5.30pm.

**All sports clubs finish at 4.15pm.**

**Please come into school to collect your child.**

Multiskills club members are collected from the main office door.

Netball club are collected from outside the Y3/4 classrooms

Football club members are collected from the bottom of the ramp to the field next to the new build

If Y6 children are walking home by themselves after the club, we must have this in writing.

### Second Hand Uniform

If you are interested in buying any second hand uniform, please send a message via the gateway saying what you require. We will then have a look and if we have what you require, it will be bagged up and given to you to try on at home. If the items are suitable, you will need to pay on the Gateway.
