

# Ladbroke Primary School

Friday 2nd October

## HEADTEACHER'S NEWSLETTER

### Half Way through the First Half Term

Well we have successfully made it through September and although the weather is changing and it is getting colder, there is still a spring in everyone's step. I will continue to stand at the gate for short periods of time at the start and end of the day but if I am not there and you are the first person in through the gate, please would you prop the gate open to avoid lots of people touching the gate. Thank you.

As per the guidance and our risk assessments, classroom windows will need to remain open to ensure adequate ventilation. We are happy for children to wear navy blue fleeces in the classroom to keep warm. We will continue to review this as the weather changes.

With regards to PE kits, please ensure the children have tracksuit bottoms to wear in school as the weather gets colder, not tights and shorts.

### Parent Consultations

We are planning to run our parent consultations on

Tuesday 20th and Thursday 22nd October.

We are looking at using the same app that you book your slots on as they are now offering video calls through this. We have a demonstration of the system next week and we will be in touch shortly after this. In the

mean time please keep the dates free in your diary.

### Visiting the School Office

Please do not just turn up at the school office. If you need to speak to the office, please call and they will make the necessary arrangements for you to come in. If you have something to drop off and I am available at the gate, I am happy to take it from you.

Thank you for your support in the matter.

### New Parent Governors Needed

Just a reminder that if you are interested in becoming a parent governor, your nomination form needs to be in school by Monday 12th October

THANK YOU!

### Bags For School

**TUESDAY 10th NOVEMBER**

I hope you have all taken the opportunity over the half term to clear out all your unwanted clothes that can be donated and used to raise money for our school. Bags will not be provided this year please use your won black bin liners. Clothes can be brought into school after school on Monday 9th or first thing on Tuesday morning. If this is a problem, please come and speak to me. Leaflet attached with more information

Thank You!

### Second Hand Uniform

If you require any items from the second hand uniform shop, please message Mrs MacCormack or Mrs Field in the Office stating what you need and the size you require. They will then generate an order form and our Y6 prefects will check stock and sort out your order.

Once you have the items and you are happy with them, you are then able to pay via the School Gateway.  
Thank you

### Christmas Art Project

We will be taking part in the Christmas art project this year.

All children will complete a design in school that will be sent off to the Art company (Chameleon Create). You will receive a link and code for your child's art work which will allow you to log in, look at your child's art work and choose to turn it into Christmas cards, mugs, wrapping paper and lots of other great gifts.

Every order made will raise money for our school. More details to follow soon.
