HEADTEACHER'S NEWSLETTER

Good afternoon!

Well they say time flies when you are having fun and if that is the case, we must be having a lot of fun at the moment as it seems almost impossible that we have already made it to March!

I am pleased to see that attendance is creeping up in the right direction and hopefully, as the weather continues to improve and the days get longer, this will continue to improve in all classes.

Please make sure you book a slot for parents evening. The booking system goes live on Friday evening at 7pm. If you haven't had a chance to respond to our parents' survey, please click on the link at the end of this newsletter. Your opinions are greatly appreciated.

Thank You

SCHOOL UNIFORM

IMPORTANT

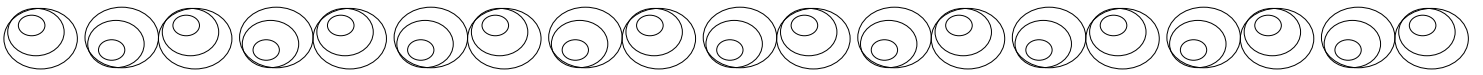

We are all very proud of our school uniform and we are regularly complimented on how smart our children look.

IMPORTANT

Recently however, I have noticed more and more children not coming into school in full uniform. It is important that every child is in the correct uniform each day. This includes shirts, ties and school shoes. If there is a reason for your child not wearing full uniform, please send us a text message through the Gateway to explain. Thank you.

Red Nose Day

In addition to the Red Nose fundraising event (see separate flyer) Sainsburys will be dropping off Red Nose merchandise that the Y6 prefects will be selling each morning at the front gate from

Monday 14th March

until we have sold out.

Parent View - Questionnaires

At Ladbrooke we are committed to doing everything right by your children and in doing so, give them the best possible primary school education.

To help us know if we are getting it right, please would you click on the link below and answer some questions about your child's experiences at school.

<https://forms.gle/JC1azSwfWJG6W7vZ6>

If there are any questions where you feel you disagree with the statement, please help us to understand why by explaining your answer, only then will we be able to look at what we are doing and maybe change the way things are done. As always please, if you feel we are doing things well, tell us. It is always nice to hear positive comments, none more so than during current times.

Thank you.

Important Message

If you are waiting on the KS2 playground for a sibling to come out, please can you ensure that any younger children that are with you are not running around the New Build, climbing on the walls and running behind the building.

There is an air conditioning unit behind the building so this area is out of bounds to all the children at all times. Currently we are also in the process of trying to stop a seagull standing outside the sliding doors staring at himself and pooping all over the floor whilst doing this. In a last resort, we have put a moveable layer of spiked flooring in front of the windows to prevent the seagull standing on it. Due to this and for obvious safety reasons, the area is out of bounds while the spikes are down.

Please ensure your child is supervised at all times.
Thank you.
