## HEADTEACHER'S NEWSLETTER

### December is Here!

Unbelievably we have reached December already and we are heading into a busy few weeks with lots of Christmas activities planned in school (see attached sheet). Apologies for the disruption last week due to the gas leak, fortunately it was repaired quickly and hopefully that is the only reason we will have to close suddenly.

As this is the last newsletter of the term, can I please take this opportunity to thank you all for all your support this term and for your kind words to staff along the way. Any time you take the opportunity to give feedback, it is really appreciated by everyone.

Please have a safe and wonderful break

### Clubs

The second lockdown is now over and our clubs can resume next week. Emails will have been sent out to you so please look out for these as they will explain which clubs are starting when and who for.

### BUMP NOTE PROCEDURES

Some of you may be aware that we have changed our bump note procedures to ensure parents are always aware that a child has had a bump on the head/face.

If your child tells any member of staff that they have received a bump on the head or face, however minor, we will complete a red bump form and you will now receive a text message to inform you that you need to look for the red bump note coming home with your child.

If your child receives a more serious bump to the head or the bump has caused a mark on their face, we will ring you to explain what has happened and to explain to you what mark can be seen.

Please do not worry if your child comes home with lots of red bump notes, it is quite normal, especially with the younger children who are still developing their spatial awareness.
