

AUTUMN TERM UPDATE

Welcome to our AUTUMN Term Update, focusing on the money raised so far this school year. Thank you so much for all your fundraising support over the first term, it has been a fantastic term. We have a big project which we are trying to raise money for so every penny that you spend or donate in school is greatly appreciate. As well as our project (outlined below) remember that all the money raised goes towards the costs of every single trip and workshops led in school keeping the cost to you as parents to a minimum.

Circus

The circus came back to school and was a fantastic event raising a huge amount of money for the school. It made all the effort of organising it worthwhile. Thank you to everyone who helped and attended

Why do we raise money for the school?

Every single amount of money we raise in school is put back into the school to support you and your children.

So far this year **£1350** of this money has been used to help pay for school trips

As you are aware, we have been fundraising for our new after school club building. We are just putting in the revised planning permission and once this has been agreed, we will be starting work on the build. Not only will this space increase our after school capacity, it will also allow us to further develop our curriculum with additional space for art, music and DT.

Thank you for all your support.
