

s.c.

- if unsure put the numbers on a PV chart
- 1000 smaller units to one bigger unit?
- draw a line after the 000s, this is your bigger unit
- 100 smaller units to one bigger unit?
- draw a line after the 00s, this is your bigger unit
- 10 smaller unit to one bigger unit?
- draw a line after the 0s, this is your bigger unit

e.g.

Th H T O

5 | 6 7 5 m = 5Km 675 m
