

MY RECOUNT

On the 4th of December year 5 and 6 went to the British Museum to see the Egyptian Gallery. The coach journey was about 2 hours 15 minutes [long time]. I was in Mrs Gates group along with George, Ella, Isobel, Daisy Ana Grace and me.

First of all we went to see the Rosetta stone. I was flabbergasted it was amazing. Because it was a big attraction I was being pushed around like a pinball machine. After I pushed my way out of the crowd we went to see Rameses the seconds statue he was massive and we asked if it was real and they said yes.

After lunch [very nice]we went to the mummy's section and saw Ginger [a person with Ginger hair]we were able to see a 3D scan of him and we chose to look at his brain but there was no one because it had been taken out by a hook! He was a servant and got killed when his master died. He was only 14 years old when he died. He was very creepy .Ella jumped when we had a joke about him. HAHA

I would recommend seeing Ginger and the Rosetta stone. The day was so good, I would definitely go again. Also see the Mummy's.
