Dear All

LADBROOKE JMI SCHOOL 2025/26

As the school year at Ladbrooke has come to an end, I would like to congratulate all the children for their hard work and good attendance. It has been a successful year in terms of academic progress and achievement throughout the school and in terms of developing and shaping our children and preparing them for the future. We are sure you will agree that the school provides a safe and aspiring place to learn.

Our children obviously make the school what it is and we thank them for all their efforts during the year. In particular, I would like to wish all of our current Y6 the very best for the future in their new schools. I'm sure their time at Ladbrooke has enabled them to develop and prepare them for the future, with a life-long love of learning.

As in previous years, the governors would particularly like to thank Miss Webster and all the school staff and volunteers who have worked exceptionally hard during the year. All staff are committed and we are lucky to have such a strong team. It is also the support of parents, guardians and others outside of school that really help to shape the future of our children. Without your help the school, and our children, would not achieve what it does – so thank you for your help. We would also like to thank FOLS for all the various events and activities throughout the year which have been great fun for all and have raised much needed funding for the school too.

We look forward to seeing everyone back in September.

Let's continue to 'Work Together, Achieve Together'!
